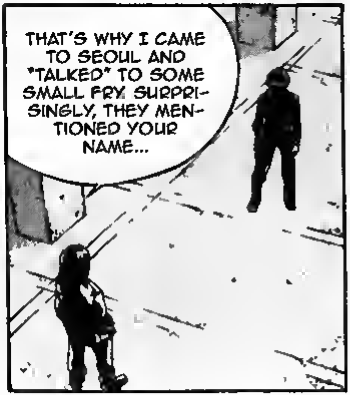
Oogami Vs Neco

OOGAMI... WHAT ARE YOU DOING HERE...?

I GOT A MESSAGE FROM AMERICA.
IT SAID THAT KALI IS IN KOREA AND THAT I SHOULD LOOK INTO IT.



THAT'S WHY I CAME TO SEOUL AND "TALKED" TO SOME SMALL FRY. SURPRISINGLY, THEY MENTIONED YOUR NAME...

SO YOU THINK THAT I'VE GOT INFORMATION ON KALI AND THAT I'LL GIVE IT TO YOU, RIGHT?

CORRECT SURELY, TOKYO'S BLACK CAT ISN'T HERE ONLY TO SIGHTSEE.

XS v05 c029

Yo, here's a new dead manga that we've restarted. The chapter was released so fast cuz there were really few lines to tls. The double page was redrawn by C... and tweaked a little by me. Looks great, right? :) Anyway enjoy.

Sorry to the people that worked on the release and weren't mentioned.
